- Judge in each pen
- Brand and paint bucket
  - Give the team the location of the brand as the team rides in
  - Calf has to be stretched before the iron leaves the "fire" circle
- You may trot to the herd
- You can trot after the calf is caught
- Any heel shot is good
- You can have one front leg in the head loop
- If a calf is belly roped your ground crew has to take the rope off and it cannot be heeled
- Head loop will be removed by the ground crew and put on the front feet to stretch the calf
- Minimum 40' rope
- No rubber on the horn
- May not rope the same calf twice
- Disqualified if the calf or calves are run into a fence, over stretched or choked off their feet
- Fastest time wins
- WSSRA Rules will apply
- Judge's decision is final
